## 1. Engagement Overview

This document outlines the standard engagement framework for web development projects. Our approach integrates premium visual design with high-level data analytics and advanced cybersecurity standards to ensure your digital presence is both a marketing asset and a secure business tool.

## 2. Professional Rates

For specialized consultancy, custom feature development, or advisory services outside of defined project scopes:

- **Hourly Rate:** €40.00 / hour

## 3. Project Tiers

We offer three primary entry points depending on the scale and complexity of your requirements.

### Tier 1: Starter

*Ideal for boutiques, professional services, or high-impact websites.*

- **Structure:** Up to 5 essential pages (e.g., Home, About, Services, Portfolio, Contact).
- **Design:** Custom responsive UI/UX tailored to your brand identity.
- **Security:** Standard SSL configuration & hardening.
- **Firewall:** Basic Web Application Firewall configuration.
- **Compliance:** GDPR-ready with mandatory Privacy & Cookie Policies.
- **Analytics:** Basic Google Analytics integration.
- **Backup:** Manual Backup policy.
- **Optimization:** Basic website optimization.
- **E-mails:** Recommended hosting plan with at least 5 e-mail accounts (5GB) storage.
- **Domain & Hosting:** Not included. Purchased on the client's behalf.
- **Base Investment:** Starting at €1,500.00

## Tier 2: Pro

*Ideal for data-driven businesses requiring advanced integration and security.*

- **Structure:** Up to 10 pages with custom content architecture.
- **Design:** Premium interactive elements and advanced UX flow.
- **Security:** Advanced Zero Trust architecture & Role-Based Access Control (RBAC).
- **Firewall:** Full Web Application Firewall integration & configuration.
- **Analytics:** Full Google Analytics integration.
- **UX:** Microsoft Clarity integration for user behaviour analysis.
- **SEO:** Full Google Search Console integration and SEO configuration.
- **Compliance:** GDPR-ready with mandatory Privacy and Cookie Policies.
- **Backup:** Fully automated backups.
- **Localization Setup:** Setup for two languages. Translation/copywriting not included.
- **Optimization:** Essential website and image optimization, and caching configuration.
- **E-mails:** Recommended hosting plan with at least 5 e-mail accounts (5GB) storage.
- **Domain & Hosting:** Domain and hosting costs included for the first year.
- **Base Investment:** Starting at €2,500.00

## Tier 3: Premium

*Ideal for data-driven businesses requiring advanced integration and security.*

- **Structure:** Up to 15 pages with custom content architecture.
- **Staging:** Setup of a separate staging environment for testing & development.
- **Design:** Premium interactive elements and advanced UX flow.
- **Security:** Advanced Zero Trust architecture & Role-Based Access Control (RBAC) + Custom Security Dashboard (Looker Studio).
- **Firewall:** Web Application Firewall integration & configuration.
- **Access:** Password Policy, Bitwarden and MFA integration for secure access.
- **Analytics:** Full Google Analytics & Google Site Kit setup.
- **UX:** Microsoft Clarity integration for user behaviour analysis.
- **SEO:** Full Google Search Console integration and SEO configuration.
- **Compliance:** GDPR-ready with mandatory Privacy and Cookie Policies.
- **Backup:** Fully automated backups + full custom backup testing & restoration.
- **Localization Setup:** Setup for two languages. Translation/copywriting not included.
- **Optimization:** Complete website optimization and CDN (CloudFlare) configuration.
- **E-mails:** Recommended hosting plan with at least 5 e-mail accounts (5GB) storage.
- **Domain & Hosting:** Domain and hosting costs included for the first year.
- **Base Investment:** Starting at €3,750.00

## 4. Scalability & Extras

To ensure the platform grows with your business, the following modular fees apply:

- **Additional Page Fee:** €300.00 per page (includes SEO optimization).
- **Google Ads Campaigns:** Quoted per requirements (Type of campaign, complexity, etc.)

## 5. Maintenance & Support Options

Post-launch stability is managed through two flexible support models:

### Option A: Quarterly Security & Health Check

*Periodic oversight to ensure the platform remains secure and updated.*

- **Frequency:** Every 3 months.
- **Includes:** Security patch updates, database optimization, and performance audit.
- **Flat Fee:** €80.00 / Quarter

### Option B: On-Demand Support

*For businesses requiring agile updates and ongoing content management.*

- **Structure:** Pay-as-you-go for specific requests.
- **Billing:** Minimum 1-hour increment at the Professional Hourly Rate.
- **Rate:** €40.00 / hour

## 6. Project Authorization
